SIGNATURE EVENTS

Executive Forums

Brings regional and national experts together with local executives to discuss current trends and innovative solutions to advance women.

GetONboard Series

Year-long program that brings highly successful board members and board governance experts together to highlight benefits, insights & best practices to becoming a sought-after for-profit board candidate.

Leaders Elevating Leaders

Bridges the leadership gap across industries and communities as we interview local successful female leaders sharing their story, their leadership journey, the challenges they've overcome and the advice they share with those following their footsteps.

Women's Executive Network

Opportunities to collaborate and network with local C-suite Executives and Board members.
