

GETONBOARD: THE JOURNEY TO THE BOARDROOM

Board service can be one of the most rewarding career experiences, yet many women hesitate for various reasons. Getting on a board is a journey that requires a clear intention, constant focus and a robust network.

GetONboard is a 4-part program that brings highly successful executives, board members and board governance experts together to highlight benefits, insights & best practices to becoming a sought-after candidate.

Most directorships require executive/C-suite experience, this unique program highlights the complete cycle from senior management to board level to encourage and equip more woman throughout this journey.

Accelerate your path to the boardroom at any stage of your career with a system designed to amplify your success.

GETONBOARD PROCESS

Part 1: The Experience

Discuss with board members as they share their experience, lessons learned and what contributes to exceptional board service. Gain actionable steps with a proven checklist to forge a path to the boardroom now or in the future.

Part 2: The Process

Elevate your executive brand to align your values, strengths and career goals into a highly sought-after executive profile. Learn to confidently own your power, how to be comfortable being uncomfortable and how transition your mindset from execution to oversight to be an effective board member.

Part 3: The Game

Gaining a seat at the Executive table involves a strategic game plan. Create targeting career goals with accountability for growth and balance. Experts will provide techniques and tools to be more resilient, relevant and refreshed in this ever-changing world. Resiliency is an attribute that could be a deciding factor for advancement and gaining a seat at the table.

Part 4: The Opportunity

This capstone event connects executives and members together with intent to gain a seat at the table. Hear from trailblazers who have been intentional in bringing diversity to their executive team creating life-long allies. Walk away with opportunities for advancement and sustainable economic growth by expanding your circle of influence.
